Subject: A recent distribution effort in Jamaica.

Dear Reader,

My name is Martin Lee, and I thank you for signing up to this service.

This is my first email of this sort (generated by a paid advertising company), and I am anxious to see the results.

I thought that I would start this effort with a look at the where the Jamaica Distribution database is maintained, and how to access it. You can find the database by doing the following:

- 1) Click the [web office](#) link.
- 2) Click on the page's link that says: "Click Here to Enter and View".
- 3) Click on the main pages button that says: "Jamaica 2009"
- 4) As a starting example, click the magnifier (a small square with a round circle in it) of the first record.

What do some of the things on this page do?

- 1) Concerning a link directly to this database record, you will see an entry saying, "Link to this page" with this link: <http://GMF-Caribbean.webexone.com/r.asp?a=1469008&id=1964410> This link can be used to move to the first entry, in this case. All the entries have their own similar links. If you wanted to share this record, just share this link.
- 2) Another link is the one named "Map Link", which in this record's case is: <http://maps.google.com/maps?f=q&hl=en&geocode=&q=+17.80706%09-077.24464+&ie=UTF8&t=h&z=16> This one opens Maps.Google and shows the location where Dain was standing reading the Garmin GPS (eTrex) latitude and longitude of his distribution spot.

Let the Lord be magnified.

Psalms 35:27 Let them shout for joy, and be glad, that favour my righteous cause: yea, let them say continually, **Let the LORD be magnified**, which hath pleasure in the prosperity of his servant.

Thank you for taking time to look at this email.
